DUCEY AT THE LEXOW COMMITTEE.

Sketched from Life by an "Evening World" Artist.

one of the Fourth Ward repeaters under "Jimmy" Dwyer's protection in the fall of 1890, and had served time in the Erie County Penitentiary, had come to the Lexow Committee just before noon.
"I have heard all about it," said Mr. Dwyer, "and the story is nonsense. He isn't crazy at all, although the police would like to make it appear so."
"He is as sane as he ever was, but ever since he gave his testimony he has been persecuted and hounded by those who would like to drive him out of town. We are looking into the matter now."
Senator O'Connor presided in the Chairman's absence and called the Committee to order at 11:30.
Mr. Goff called for Mr. Brady as the first witness and a young man came forward and said Mr. Brady had not arrived but was expected every minute.
Manager Sanger on the stand.
Then Frank W. Sanger was called and the well-known theatrical manager came forward and took the witness chair.
He said he had been manager of the Madison Square Garden for a year and a half. Since that time five pugilistic exhibitions had taken place there. He named the Corbett exhibition last January, an exhibition for a charitable purpose in February and the matches of the Amateur Athletic Union. He said that a match between Mitchell and

PRESIDENT SLOAN'S SON.
He Was Arrested for Drunkenness Over in Hoboken.
HOBOKEN, N. J., Dec. 6.—The man claiming to be Elmer Sloan, a son of Samuel Sloan, the railroad magnate, who was arrested in the Hoboken depot of the Delaware, Lackawanna and Western Railroad yesterday while drunk and creating a disturbance, spent the night in the Hoboken police station. This morning two detectives connected with the D. L. and W. road visited the police station and had a talk with the prisoner.
This afternoon they returned with Assistant Supt. Griffin. The prisoner was arraigned before Recorder McDonough. The Recorder suspended sentence. He left the court-room accompanied by Mr. Griffin and the two detectives.
There appears to be no doubt his name is Elmer Sloan and that he is a son of Samuel Sloan, the railroad President. Police Captain Hayes says he has been arrested in Hoboken before for drunkenness and always had money for his fine. He had \$10 in his pocket when arrested last night, and a variety of soap, perfumes, smelling-salts, toilet water, collars, cuffs and neckties. The detectives told Recorder McDonough they had been searching for young Sloan several days.

THE PARIS AGROUND.
She Struck in the Dense Fog Off Her Southampton Docks.
SOUTHAMPTON, Dec. 6.—The American liner Paris, Capt. Watkins, ran aground off the Company's dock during a dense fog last night.
There was great excitement on board, the fog being so dense that the passengers had no idea of the proximity to the shore. Capt. Watkins reassured them, and they were all safely landed in tenders, together with the mails.
The Paris sailed from New York Nov. 28, and reached this port at 8:05 o'clock last night.
Manager Griscom, of the American Line, said this morning that the New York office had heard nothing of the accident, but that a cablegram had just been received saying that the Paris had run aground in dredging for a new channel a bank has been thrown up, and that it is this bank the Paris ran aground upon.

NOT JACK M'AUUFFE.
The Lightweight Brother, Mike, Fought Harry Isaacs.
A story was prevalent about this city and Brooklyn this afternoon to the effect that Jack McAuliffe, the lightweight pugilist, had been beaten in a bout of five rounds, fought last night near Brooklyn's City Hall.
The victor was said to have been Harry Isaacs and the purse \$200, which was divided. Rod McMahon was referee and a number of Brooklyn politicians were the spectators. Isaacs claimed a decision, but McAuliffe was allowed a draw.
The story was not true, but one essential—it was not Jack McAuliffe, but Mike.
ANDREWS HASN'T RESIGNED.
But A Rumor that He Had Was Actively Circulated.
Street-Cleaning Commissioner Andrews has not resigned, although a rumor to that effect was around the City Hall to-day.
It was said that ex-Postmaster Van Cest had been appointed his successor. Both rumors were declared by the Mayor to be groundless.
Commissioner Andrews arrived at the Street-Cleaning Department shortly after 2 o'clock and said: "There is no truth in the rumor that I am going to resign."

Post-Office is All Right.
Postmaster Charles W. Dayton said this afternoon that there was absolutely no truth in the rumor that a defalcation in the Registry Department of the Post-Office was being investigated by special agents from Washington. Inspectors Kachen and Shepherd were sent from Washington last July to make the usual annual inspection. That is all.

School Trustees Accuse Cheechan.
Mr. Abbott, one of the School Trustees in the Sixteenth Ward, in which the Pequot Club is situated, is quoted to-day as accusing Police Commissioner John C. Sheehan of influencing the appointment of a janitor and teachers by means of members of the Board who belong to the Pequot Club.

Rev. Mr. Johnson Threatened by a Stock-Yards Crowd.
CHICAGO, Dec. 6.—Rev. A. G. Johnson, of Huntington, Ind., kidnapped his child last night and was chased by a mob who threatened to kill him. A policeman held him at bay.
Johnson claimed his wife left him for a dancing lieutenant in the Salvation Army. The child was returned to its mother and the minister went home.

Commander Booth Convalescent.
Mrs. Maud B. Booth writes a letter to "The Evening World," requesting that the statement that her husband, Commander Booth, is at the point of death, be corrected. Mrs. Booth states that these reports have been greatly exaggerated and that her husband will be able to travel by the first of next week.

W. A. BRADY.
Corbett had been arranged, but it fell through.
Q. Do you know Mr. Brady? A. The manager. Yes. He had a variety of combinations and companies.
Q. In any of the boxing matches that have taken place in the Garden, have you known of the money being paid to the police? A. Not at my own knowledge.
Q. Well, did you hear of any money being paid? A. Yes. Mr. Brady came to me on the night of the Corbett-Mitchell exhibition and asked if he could draw \$250 from the box-office to pay the police.

To Buy More Water Front.
The Dock Commissioners to-day decided to offer \$500 a front foot for the property of the Kingsland estate. It has a frontage of 125 feet on the North River water front, between Wall and Hoboken streets. The Board also recommended that \$10,000 be offered the executor of the late J. J. Dock for 44 feet 94 inches on East Fifty-third street.

Do as Mr. Lamont Says.
The officials of the New York and New Jersey Bridge Company, at 214 Broadway, said this morning that the question of deciding whether the proposed bridge across the Hudson from New York to New Jersey would be constructed on the cantilever or suspension plan, was still in the hands of Secretary of War Lamont, whose action would be final.

Another Baker Suit.
The National Shoe and Leather Bank to-day began against the estate of Frederick Baker. The property is 285 feet west of Central Park West, on the north side of West Seventeenth street. It is in the name of Amelia F. Baker.

Schmittberger Again Accused.
Q. What offer was he going to pay? A. I believe he said it was for Capt. Schmittberger. He was in charge of the police then.
Q. Did you have charge of a hot-house money? A. No. I was not responsible for the money taken in. I was simply manager of the property. Did I could authorize money to be drawn for special purposes.
Q. Was the \$250 to be charged to the Garden or to the managers of the exhibition? A. It was charged pro rata to both, and that was my understanding when I consented to let him draw the money.
Q. Mr. Sanger testified he was afterwards informed that Mr. Brady owed him the Garden \$27, and he wrote to him to pay it over.
Q. You knew the money Brady asked for was to be paid to the police? A. No, Mr. Sanger, it is not exactly for that purpose. I had seen Capt. Schmittberger about a parade that was being arranged to escort Corbett to the Garden.
Q. But that didn't have anything to do with the \$250 you Brady drew? A. Oh, no.

The following record shows the changes in the temperature during the morning hours, as indicated by the thermometer at Perry's pharmacy: 7 A. M., 34.8 A. M., 34.8 A. M., 34.12 M., 34.

Set a Man on Fire.
Samuel McKean and Robert Winters, who on July 20 of this year amused themselves by pouring kerosene over the face of Bernard Achard, a fellow-workman, and then by setting fire to his beard, causing serious injury that he died shortly afterwards, were today put on trial in the City and Terminus.

Penal from a Cable Car.
A. C. Hootley, sixty years old, of Danbury, Conn., merchant, at 294 Greene street, fell from cable car No. 24 at Union street and Broadway this afternoon. His right leg was fractured and he was removed to St. Vincent's Hospital.

Had No Thought of Protection.
Q. Well, wasn't it well understood that that money was to be paid to the Captain for police protection? A. I didn't give it to thought at the time. I knew he wanted it for something, and supposed it was all right.
Q. Didn't you know that you were not under

FAVORITES WINNING.

Bobolink and Frank R. Hart Take Events at Odds-On.

Third Race Goes to Semper Vive Colt, with Northford Second.

Benvolio Captures the Fourth Event at Alexander Island.

(Special to The Evening World.)
RACE TRACK, ALEXANDER ISLAND, IRL.
Dec. 6.—Spring-like weather prevailed to-day and the crowd was again large at the Alexander course. The card was a good one and interesting contests were promised. Fourteen books were on, an increase of one over yesterday. The betting was very heavy. The track was fast and the scratches few.
The opening race, a dash of four and a half furlongs, went to Bobolink, a heavily-backed favorite. There was twenty minutes delay at the post, and Benvolio raced out a furlong in nearly every false break. Despite the delay and the heavy betting, Bobolink won clearly by half a length, after leading all the way. Venusburg and Verse followed a distance.
The second event also went to the favorite. There were a fair lot of scratches entered. Frank R. Hart received the bulk of the money bet, and he closed a strong favorite at 3 to 1.
It was only an exercise gallop for the favorite, he leading throughout and winning as he pleased by half a length. Con Lucey was second, and Berwyn third.
